

Baby Its Cold Outside - key:C

[C] [Am] [Dm7] [Dm]

[C] I really can't [Cmaj7] stay (But baby it's [C] cold out[Cmaj7]side)
I've [Dm] got to go a[G7]way (But baby it's [Dm] cold out[G7]side)
The [C] evening has [Cmaj7] been (Been hoping that [C] you'd drop in)
So very [Gm7] nice (I'll hold your [C7] hands, they're just like ice)

My [F] mother will start worry ([C7] Beautiful what's your [F] hurry?)
And [F7] father will be pacing the floor (Listen to the fireplace [C] roar)
So [C] really I'd better scurry (Beautiful please don't [B7] hurry)
But [Dm] maybe just a half a drink [B7] more (Put some records on [G] while I [C] pour)

The [C] neighbours might [Cmaj7] think (Baby it's [C] bad out [Cmaj7] there)
Say, [Dm] what's in this [G7] drink? (No cabs to be [Dm] had out [G7] there)
I [C] wish I knew [Cmaj7] how (Your eyes are like [C] starlight now)
To break the [Gm7] spell (I'll take your hat, your [C7] hair looks swell)

I [F] ought to say, "No, no, no sir" (Mind if I move in closer?)
At [Fm] least I'm gonna say that I [G7] tried (What's the sense in hurtin' my pride?)
I [C] really can't [Bb7] stay (Baby don't [A7] hold out)
All together - Ah, but it's [D7] cold [G7] out-[C] side

I [C] simply must [Cmaj7] go (Baby, it's [C] cold out-[Cmaj7]side)
The [Dm] answer is [G7] no (Ooh darling, it's [Dm] cold [G7] outside)
[C] This [Cmaj7] welcome [C] has been (I'm lucky that you dropped in)
So nice and [Gm7] warm (Look out the [C7] window at that storm)

My [F] sister will be suspicious (Man, your lips look delicious)
My [Fm] brother will be there at the door (Waves upon a tropical shore)
My [C] maiden aunt's mind is vicious (Gosh your lips are delicious)
Well [Dm] maybe just a half a drink [G] more (Never such a blizzard before)

I've [C] got to go [Cmaj7] home (Oh, baby, you'll [C] freeze out [Cmaj7] there)
Say, [Dm] lend me your [G7] coat (It's up to your [Dm] knees out [G7] there)
You've [C] really been [Cmaj7] grand (I thrill when you [C] touch my hand)
But don't you [Gm7] see? (How can you [C7] do this thing to me?)

There's [F] bound to be talk to-morrow (Think of my life long sorrow)
At [Fm] least there will be plenty [G7] implied (If you caught pneumonia and died)
I [C] really can't [Bb7] stay (Get over that [A7] hold out)
All together - Ahh, but it's [D7] cold [G7] out-[C]side
