[C] You say you wander your [F] own land,
 But [Dm] when I think about it, I [G] don't see how you can.

[C]/—////[Cmaj7]/—////[C-7]/—////[Cmaj7]/—////

You're [C] aching, you're breaking, and I can [F] see the pain in your eyes,
 Says [Dm] everybody's changing, and [G] I don't know why.

[C]/—////[Cmaj7]/—////[C-7]/—////[Cmaj7]/—////

[F] So little [G] time, [C] try to understand that [F] I'm
 [Dm] trying to make a move just to [G] stay in the game.
 I [Em] try to stay awake and [A] remember my name,
 But [Dm] everybody's changing and [G] I don't feel the same.

[C]/—////[Cmaj7]/—////[C-7]/—////[Cmaj7]/—////

You're [C] gone from here, soon you will disappear,
 [F] fading into beautiful light,
 'cause [Dm] everybody's changing [G] and I don't feel right.
